Everyone is needed! All hands on deck!

If you want to help spread the gospel, and use your benevolent acts for the purpose of evangelism this is for you! Can you operate a chain saw? You can join! Can you lead a prayer? You can join! Can you lead a bible study? You can join! Can you move and clean up debris? You can join! No matter your talent or skill set, with Project Unify there's work to be done! Matt 9:38

INTERESTED?

Do you have a heart for helping others? Have you ever wondered how you can help those in need and spread Gods words more effectively? Do you have a servant's heart? Then Project Unify is the place for you!

Project Unify has one goal, to lead others to heaven! We have taken the opportunity to do this through evangelistic efforts while serving others in disaster hit areas. Benevolence is a great thing, but to the Christian benevolence without evangelism is somewhat in vain. If reaching souls with servant's resources interests you, keep reading!

A MINISTRY OF THE CHURCHES OF CHRIST

Project Unify is made up of congregations of the Lords church as well as church of Christ organizations and members. We are striving to teach sound doctrine and stay only within the means of scripture. We realize one cannot go to heaven without being a servant, and this is one way to fulfill that call!

This work is Kingdom work! We all bring our talents and resources. Its not a competition, we work closely with other disaster relief organizations within the church. We try to fill the needs that are lacking, as well as support the ministries that are currently serving! The body of Christ is one.

WHO YOU ARE IS WHO WE NEED!

We believe every person, as well as congregation has a personality all their own. As part of Project Unify we desire each member/congregation to discover their strength and be self-accountable for using their talents. We will motivate and strengthen one another, we will work closely together, but it is ultimately up to each individual to participate and lead their own ministry.

We hope this information has helped you to learn a little more about Project Unify! Please take some time to pray for this ministry as it continues to teach and to grow! To God be the glory!

If you would like more information, would like to support, or to join Project Unify please contact us at projectunify07@gmail.com, call us at 256-353-4256, or check out our Facebook page.
