

**SERMON: Back To Bible Basics (#3 of 5) – The Two Roads: Wide & Narrow!**

**TEXT: Matthew 7:13-14**

**Intro:** The Bible demands choices: Joshua 24:15; Philippians 1:21-22; Matthew 7:13-14. Is the right choice too costly (Matt. 19:16-22) OR the only logical and right choice to make (Luke 19:1-10; Acts 8:29-39)?

**1. The Road to Destruction (v.13).**

- a. It is “spacious” and wide open – “anything goes” attitude is acceptable.
- b. Hell is real and eternal (Luke 16:19-31).
- c. God offers a far better alternative!

**2. The Road to Life (v.14).**

- a. It is “narrow” and constricted – surrender, devotion, dedication and obedience to God are required.
- b. Heaven is real and eternal (Matt.25:46) – Everything Hell isn’t Heaven is!
- c. When we get to Heaven, the difficulties of the road will seem as nothing!

**Conclusion:** Where are going to end up?
