**SERMON: Teaching Pelicans How to Fish – A Spiritual Application for the Church!**

**TEXT: Psalm 78:1-8**

**Illustration: Pelicans in Monterey, California.**

**Application: The generation behind us – depends on us - just as we depended on the generation before us.**

1. There might be times when we have too much done for us!
2. Opportunity are available and always there!
3. We must surround ourselves with those of “like precious faith.”

**Conclusion:**

1. Don't ask others to do for you, when you can do for \_\_\_\_\_.
2. Wake up and see \_\_\_\_\_ all around you!
3. Associate with those that live like \_\_\_\_\_!
