**SERMON: Music in Worship!**

**TEXT:** Hebrews 13:15; John 4:23-24

**Intro:** Scripture is sufficient to tell us God's will for worship. We must not add to, or subtract from, God's Word (e.g., Deut. 4:2; 12:32; Rev. 22:18-19).

1. Music during Apostolic Times (i.e., during the days of the "Apostles doctrine" (Acts 2:42)).
2. Notice especially: Ephesians 5:19; Colossians 3:16.
3. Why do we NOT use Mechanical \_\_\_\_\_ in worship?
4. We do find authority for \_\_\_\_\_!
5. Vitally important passages: \_\_\_\_\_!

**Conclusion:** The New Testament authorizes \_\_\_\_\_ music!
