SERMON: The Importance of One

TEXT: Luke 15:1-32

Trying to bring souls to Christ is one of the greatest responsibilities we have as Christians.

It not an option that we evangelize, it is a commandment that Jesus expects all of His followers to abide by.

Make a commitment to bring just ONE person to Christ in 2018.

The value that God places on ONE soul is seen in the stories of the lost sheep, coin, and son.
