

SERMON: Unity in the Church

TEXT: Ephesians 4

There Is One Body

- What does Paul mean by “one body”?
- Areas of oneness/unity.
- Is oneness and unity required by God?
- How can we maintain or achieve oneness/unity

We will be looking at these points, not in any particular order because many of the concepts overlap.

There are two fronts to oneness/unity as it pertains to local churches/congregations

1. Oneness within a single local church
 - A. Behavior
 - B. Practice (essential to salvation)
2. Oneness among local churches
 - A. Behavior
 - B. Practice (essential to salvation)
