

# Morning Lesson

**“...THE STUFF LIFE IS MADE OF”**

**Psalm 39:4; James 4:15; Matt. 6:34**

## **INTRO:**

1. We all know the statement, “how time flies.”
2. Time - “a nonspatial continuum in which events occur in apparently irreversible succession from the past through the present to the future.”
3. “Time is the stuff life is made of.”

## **I. HOW DO WE SPEND OUR TIME?**

A. Average life expectancy is 79 years so how do we spend those years?

1. To read the whole Bible in one year would take 12-15 minutes a day.
2. To read the Old Testament in a year would take 9-10 minutes a day.
3. To read the New Testament in a year would take only 3-5 minutes a day.

## **II. WE HAVE BEEN A NEW CONGREGATION FOR TWO YEARS.**

A. How are we spending our time? **1 Tim. 3:15**

B. Do I realize our blessings? **Psalm 23; Psalm 81:10; Joel 2:21-26**

C. Look around and tell me that things aren't better than they were two years ago.

## **CONC:**

1. I need to determine that I am going to do what I can to keep things going well and to get better.
2. Let's not spend, but invest our time in personal and congregational improvement.
